Additional Rules:

Bonus Match 5 tickets are bearer instruments. For your protection, sign the back of your ticket. **A playslip is neither a valid receipt, nor proof of purchase.** Your game ticket, not your playslip, is the only valid proof of the selection made and the only valid proof for claiming a prize.

Before you leave the Retailer's location, be sure to verify that the selections on your ticket are the selections you requested on your playslip, including numbers selected and the drawing(s) you want to enter. You have the sole responsibility for checking the accuracy of the data printed on your ticket(s). Your ticket will be valid for the drawing dates printed on your ticket. The Lottery is responsible only for numbers actually played via the Lottery terminal. Neither the Lottery, nor Lottery retailers, will be responsible for printing errors.

Bonus Match 5 tickets can be cancelled only by the same Lottery retailer who sold the ticket and only on the same day of purchase prior to game closings.

By purchasing a Bonus Match 5 ticket, the player agrees that all Maryland Bonus Match 5 Game Rules and the rules stated in this brochure and on the playslip, as well as all applicable laws, including Maryland State Lottery laws, regulations, rules, and policies, and any other changes to any of the above, govern all aspects of the Bonus Match 5 ticket, game, playslip, prizes and payment.

The Lottery is not responsible for lost, stolen, or destroyed tickets, tickets redeemed by a Lottery retailer in error, or winning numbers repeated or displayed in error. All winning tickets are subject to validation by the Lottery in accordance with Lottery rules and regulations. Prizes are not assignable or transferable. All winnings are subject to state and federal taxation. Tickets may not be sold to, bought or cashed by minors under the age of 18. Prizes must be claimed within 182 days after the date of the drawing.

WHAT IS BONUS MATCH 5?

Bonus Match 5 is an exciting numbers game offered by the Maryland Lottery®. Every evening, the Lottery will select five winning numbers ranging from 1 to 39. A Bonus Ball will then be drawn from the remaining 34 numbers. The Bonus Ball provides you with extra chances to win.

HOW TO PLAY:

Pick up a Bonus Match 5 playslip at any Lottery Retailer. Each playslip has 9 game boards, lettered A through I. You may play one board for \$1, 3 boards for \$2, 4 boards for \$3, 6 boards for \$4, 7 boards for \$5 or 9 boards for \$6.

You can either select your own numbers or let the lottery terminal select them for you.

To pick your own, you must select 5 numbers on each board you want to play. If fewer than 5 numbers is selected on any board, the playslip will be rejected. Make a heavy vertical mark through each number you choose. Use pencil or blue or black ink. Red ink will not be accepted. If you make a mistake, mark the white box next to "VOID" at the bottom of that board, then use any remaining open boards to complete your selections. Please do not attempt to erase errors.

If you want the terminal to randomly "Quick Pick" your numbers, mark the "QP" box at the bottom of each board you want to play.

Bonus Match 5 drawings are held nightly – seven days a week. You can play the same numbers for 2, 3, 4, 5, 6 or 7 drawings in a row, including the next drawing, by marking the appropriate "NUMBER OF DRAWS" box. If you are a winner before the final day on your ticket, you can still cash your ticket immediately. You will receive an exchange ticket for the remaining days of play.

You can play for one future drawing by marking the appropriate day in the "ADVANCE PLAY" column; only one drawing in the future, not the next drawing, may be played for each playslip marked for ADVANCE PLAY. Your ticket will be valid for the drawing dates printed on your ticket.

IT'S EASY TO WIN!

You win Bonus Match 5 by matching 5, 4 or 3 of the original 5 winning numbers selected. Or, if you match the Bonus Ball number, you only need to match 4, 3 or 2 of your original numbers to win!
